Terms

Version 1.0, 27 October 2026.

1. Who you deal with

1.1 Fontkos is a brand of Vissor UG (haftungsbeschränkt) ("we"), full company details at vissor.de. We design the fonts and grant the licences to use them.

1.2 Our order process is run by our online reseller Paddle.com, which is the merchant of record for all orders. Paddle provides customer service for payments and handles returns. Paddle's buyer terms apply to the purchase: https://www.paddle.com/legal/checkout-buyer-terms.

1.3 What you may do with the fonts is set out in the End User Licence Agreement (EULA) and on the licence certificate in your account. Fonts downloaded for free are covered by the Fontkos Free Font Licence and are not sold.

2. What you get

2.1 A licence to use font software in digital form, of the type and size you chose in the cart (users, page views, apps), issued to the licensee you name.

2.2 The descriptions, specimens and the type tester on the website show the fonts as they are delivered. Trial fonts have a limited character set and may only be used for testing under the Trial Licence.

3. Ordering

3.1 You choose the fonts and licences in the cart, name the licensee and accept the EULA. You then pay in the Paddle checkout.

3.2 Prices are shown in euro. Paddle adds the tax that applies in your country at checkout and issues the invoice.

3.3 Upgrades of an existing licence cost the price of the new tier minus the price paid for the old tier for the same product.

4. Delivery

4.1 The fonts are delivered as a download. The links are sent by email right after payment and remain available in your account.

4.2 Download links in emails work for 7 days. Files in the account can be downloaded again at any time while we offer them, including updates of the fonts you licensed.

5. Licence

5.1 The licence starts when Paddle confirms your payment. The EULA version accepted at checkout applies to the order.

5.2 If you buy for a client, enter the client as licensee.

5.3 If an order is refunded, in full or in part, the licence for the refunded items ends and the font files must be deleted.

6. Warranty and liability for the fonts

6.1 Statutory warranty rights apply. If a font has a defect, tell us at hello@fontkos.com and we will deliver a corrected version.

6.2 We are liable without limitation for intent and gross negligence, for injury to life, body or health, and under the Product Liability Act. For slight negligence we are liable only for breach of an essential contractual obligation, limited to the damage typically foreseeable. Any further liability is excluded.

7. Governing law

7.1 German law applies to the licence, excluding the UN Convention on Contracts for the International Sale of Goods. For consumers, mandatory consumer protection law of the country where they live remains unaffected.

7.2 For merchants, legal entities under public law and customers without a general place of jurisdiction in Germany, the place of jurisdiction is Reutlingen, Germany.

8. Dispute resolution

We are neither obliged nor willing to take part in dispute resolution proceedings before a consumer arbitration board.

9. Final provisions

If a provision is invalid, the rest of these terms remains valid.
