A playful display face built from arches and stadium shapes, with soft corners everywhere. Made for tickets, stamps, signs and posters.

11 pt, Bold

Gurra grew from arches and stadium shapes: the A and U are built like doorways, C and R are cut from rounded blocks, and every corner is soft. It is friendly without being childish and loud without shouting. Two weights, Light and Bold, with a variable font in between. Made for tickets, stamps, packaging and posters.
