An editorial serif with Garalde roots and flat, steady feet. Made for book covers, features and menus that read slowly.

11 pt, Regular

Kadare is an editorial serif with Garalde roots, drawn lower and calmer than the condensed book faces it grew from. Every foot sits flat on the line and every curve comes from one shared model, so the letters hold together in long titles and short lines alike. Two weights, Light and Regular, with a variable font between them. Made for covers, features, wine lists and programmes.
